

# Keeping our salon safe

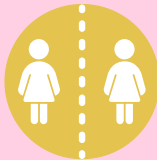

We are working hard to ensure our salon is safe for our staff and clients at all times

Your therapist will be wearing a mask for the duration of your treatment

We are unable to serve drinks for now, but you are welcome to bring your own. We will be providing bottled water

We are limiting the number of people in our reception area. You may have to wait outside for a short period of time

We have a hand sanitising station available in reception for clients to use on arrival

We have removed all soft furnishings from our treatment areas.

We have perspex screens on and between our nails desks

We will be taking extra time and care between appointments to ensure all tools and salon areas are fully sanitised

Please reschedule appointments if you are suffering symptoms of Covid-19 or have been in contact with someone who has tested positive in the last 14 days

Thank you so much for your continued support during this time
